

Durable, Strong, and Exquisite

“NW” stands for “No Wax” — TOLI NW series and NW-EX series are the vinyl flooring which does not require the maintenance by wax coating.

NW series and NW-EX series can drastically reduce the maintenance cost for the floor, and its beautiful appearance can be kept simply by daily maintenance.

With its abundant lineups, NW series and NW-EX series will contribute to comfortable facilities environment.

With its excellent durability, beautiful appearance can be kept for long!

NW and NW-EX series will provide high durability and excellent stain resistance due to highly-durable UV coated layer. Beautiful appearance can be kept for long in the usage with your shoes on.

With its amazing stain-resistant finish, maintenance is quite easy!

■ **Stain-resistant testing (resistance to scuff marks)** ※In any tested material the wax is not applied on the surface.

NW series show excellent maintenance performance. With its original stain-resistant finish, the dirt and stains put on the surface can be easily removed.

- Durable years are calculated on condition that each floor covering is used with people's shoes on and wax maintenance is not proceeded.
- Durable years are also based upon the assumption on traffic by normal distribution, correlated with the original durability of each floor covering.
- Even for recommended applications, in case the floor covering is used beyond the conditions as above, durability years may differ.
